Dear Rochester Community,

Since 1984 Cameron Community Ministries has worked with neighborhood residents and partners to create a vibrant and thriving community through empowerment and advocacy while meeting basic needs. The last 15 months due to the pandemic, our world has been impacted in many ways, one of which is safety.

Recently, our campus has been impacted directly from a recent shooting across the street from our Teen Center in which a young life was tragically taken away. Safety is a number one concern for our staff, clients, students, families, and guests daily! In regards to this matter, the Cameron Board has taken steps to ensure that safety measures on our campus have been reviewed and actions have been taken to improve safety for all.

We look forward to continuing to serve our neighborhood as we have for over 35 years in as safe a manner as possible for all.

Thank your continued support!

Cameron Board
